309 Lygon St, Carlton

In *Disasters that Changed Australia*, Richard Evans nominates the worst disasters in an engrossing, insightful account of what happened and why. Including Cyclone Tracy, Black Friday, the Snowy Mountains Scheme and the destruction of megafauna thousands of years ago, these are just many of debacles that have defined Australia.

Richard Evans goes beneath the familiar stories and myths, and urges us to rethink how we respond to disasters to avoid making the same mistakes again.
